

COMPANY PROFILE

SILICON STREAM LTD

Company Overview

Silicon Stream Ltd provides Engineering, Procurement, Construction and Installation services in the Oil and Gas industry; delivering services to Onshore, Offshore, Subsea & Deepwater Facilities.

Silicon Stream provides services ranging from engineering, fabrication, construction, installation, hook-up and commissioning; to revamp of onshore production facilities, offshore platforms and associated pipelines.

Silicon Stream also has extensive capabilities for the provision of Subsea Umbilicals, Risers & Flowlines (SURF) EPCI and related services leveraging on the complementary assets from technical partners.

Company Values

Our Vision

The leader in oil and gas engineering and construction through innovation and technology, while achieving the highest industry performance in safety, environmental quality and ethics.

Our Mission

Exceed expectation of customers in creating the most capable, principled and creative company.

Our Values

Our values are the essential and enduring principles that drive our day-to-day business activities and define us as a company.

We Value Our People

Our people are the heart of everything we do. We are dedicated to creating diverse and inclusive work environments in which every member of our team of teams feels safe, supported, respected, trusted and valued, and where each person is given opportunities to grow and reach their full potential.

We Empower

We empower all our people with a shared purpose, the right tools and the supportive culture they need to be proactive, to be adaptive to change, and to succeed. We trust them to be independent decision-makers who aren't afraid to meet any challenge head on and who proudly own their work.

We Are People of Integrity

We are people of character, who value honesty, trust, courage, fairness, prudence and tenacity. We believe doing what's right for the planet, the communities where we live and work, and our people is good for our business. We will not sacrifice our integrity.

We Are a Team

We have a will to succeed, individually and as a company. Our collective focus powers our operational excellence, fuels our passion for delivering for our customers, and makes us a better, stronger, more effective and efficient company.
